

Monday Noon

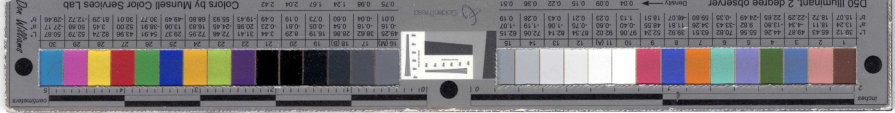

My professional Business in Bucks County which I am obliged to attend to during this Week will deprive me of the Pleasure of meeting the Directors of the Library Company tomorrow Evening — The Librarian has politely promised to ~~send~~ serve the usual Notices, and will deliver the rough Minutes of the last Meeting —

I have to report to the Board, that since the last Meeting I have both spoken and written to Mr. Fawcett for the Record Book — I informed him of the Resolution of the Board to apply to his Securities — and all without Effect — Mr. Paschall promised me to use his Influence with him to deliver it, but I have not heard of his Success — there has been a Transfer this six Weeks in my Hands to be recorded, which has neglected for want of the Book — The Board will please to make their Orders, and next Week I shall be in Town to execute them —

I have not yet received the Seeds from Mr. Sanborn — nor have I given any certificates for Shares —

I am, with much Respect, &c

Monday June -

My professional business in Bucks County which I
 am obliged to attend to during this week will deprive me of the
 pleasure of meeting the members of the Library Company tomorrow
 evening - The Librarian has politely promised to present me
 from the usual notice, and will deliver the usual address of
 the last meeting -

John

I have to refer to the Board, that since the
 last meeting I have both spoken and written to, the Librarian
 for the second time - I informed him of the Resolution of the
 Board to apply to his secretary - and all without effect -
 The Librarian promises me to use his influence with him to
 obtain it but I have not heard of his success - I have
 been a thorn in his side in my hands to be removed
 which has resulted for want of the Board - The Board
 will think to make their Order and next that I shall
 be in town to execute them -

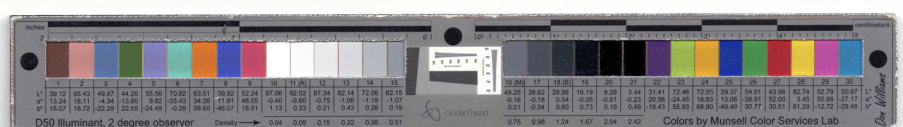

I have not yet received the letter from the
 Librarian - nor have I given any satisfaction for them -
 I am, with much respect, &c.
